WESOLEGO ALLELUJA! HAPPY EASTER! FELIZ PASCUA! How wonderful it is to celebrate this solemn Easter feast in a church awash in color, ablaze with light, alive with triumphant song! This is, after all, our joyful celebration of Christ's victory over sin and darkness.....

And that's precisely where today's Gospel begins – in the depths of despair and death. We find Mary Magdalene lingering just outside the tomb, weeping inconsolably. Because of the Jewish Sabbath, she had been waiting impatiently at home until she could slip out at dawn to anoint Jesus's body. And now, three days later, crushed by grief, she returns to prepare that corpse for burial.....

And here is where our story takes a dramatic turn. She finds that the stone which secured the entrance to the tomb has been shoved aside. She spies two angels, and then, someone else whom she mistakes for the caretaker. "Sir" she says, "if you have carried him away, tell me where you laid him, and I will take him." It wasn't just those cascading tears that blurred Magdalene's vision. Whatever hope she held had died with Jesus on the Cross. Whatever faith sustained her had crumbled when she caressed His mangled body and laid it in

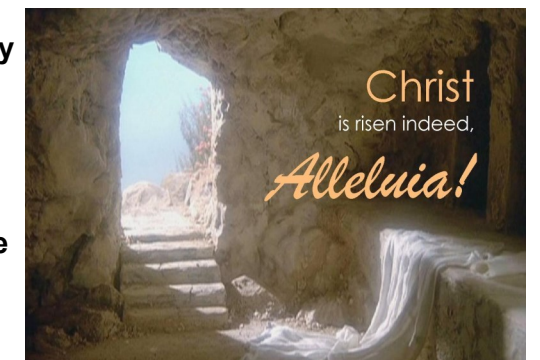

the tomb. On that early Easter morn, she was simply incapable of believing that He could still be alive ... until He utters that one word – her name – Mary. "My sheep know my voice and they follow me." The tone and timbre of Jesus's voice breaks through her incredulity. She recognizes Him, her heart melts, and she runs to embrace Him. ...Brothers and Sisters! What a story! What a true story for our salvation. May this same story effectively change our hearts and minds, as it changed the hearts and minds of Mary Magdalene and the Apostles. On this holy occasion Father Thaddeus and the Staff of all three Churches in his care wish you: Wesołego Alleluja! Happy Easter! And Feliz Pascua! Alleluia, alleluia! <https://www.curavirtualis.org/post/ft-bill-kelley-sj-shares-his-homily-for-easter-sunday>

This Week's Message:

“The Paschal mystery has two aspects: by his death, Christ liberates us from sin; by his Resurrection, he opens for us the way to a new life. This new life is above all justification that reinstates us in God’s grace, ‘so that as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life.’ Justification consists in both victory over the death caused by sin and a new participation in grace. It brings about filial adoption so that men become Christ’s brethren, as Jesus himself called his disciples after his Resurrection: ‘Go and tell my brethren.’ We are brethren not by nature, but by the gift of grace, because that adoptive filiation gains us a real share in the life of the only Son, which was fully revealed in his Resurrection.”
