THE POWER OF THE ROSARY.

1.MIRACULOUS PROTECTION FROM ATOMIC BOMB IN HIROSHIMA

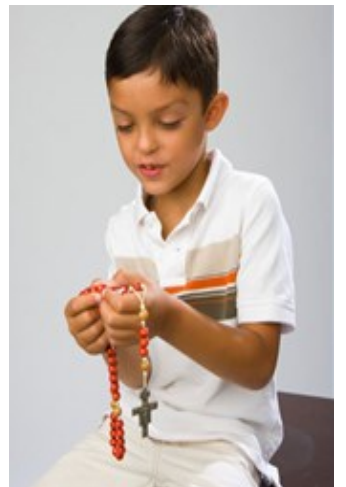

During World War II, an atomic bomb was dropped on the town of Hiroshima, Japan. Everything within a mile was annihilated. The only survivors within that one mile radius were eight priests. These eight men, like the eight that survived the Great Flood, walked away from the atomic blast and lived into old age without radiation poisoning. In the middle of the devastation, there were 8 lone survivors. -Taylor Marshall

“Not only did they all survive with (at most) relatively minor injuries, but they all lived well past that awful day with no radiation sickness, no loss of hearing, or any other visible long term defects or maladies. Naturally, they were interviewed and examined numerous times (Fr. Schiffer, a survivor, said over 200 times) by scientists and health care people about their remarkable experience and they say “we believe that we survived because we were living the message of Fatima. We lived and prayed the rosary daily in that home.”

2. GUNS FELL TO ROSARIES IN A BLOODLESS REVOLUTION

36 years ago, in 1986...Standing in pairs, Sister Ocariza and 16 other nuns led the rosary as soldiers escorted rolling military tanks with their turrets trained on the sisters. The nun said staring down those tanks has been the scariest experience of her life. “I said, ‘Lord forgive me for all my sins and even the offenses of our Filipino people.’ If really the tanks would crush us, at least the two of us ... kill us sisters, not the people because we (did not) want bloodshed. I love my country.” But the tanks stopped, and the soldiers joined the protesters reciting the rosary,’ that was really a miracle! Sister Ocariza said that God delivered them from the hands of a dictator and saved the country from what would have ultimately provoked a violent reaction. She said she looks back to that time as a source of courage and a reminder to stand for what is right always.

The Chicago Tribune reported, “Instead of guns, there were prayers; instead of bloodshed, celebrations; instead of casualties, converts”. Guns Fell to Rosaries in Philippine Revolution. Queen of the Most Holy Rosary, pray for us.

All individuals are invited to join Bluebonnet ACTS for the recitation of the Chaplet of Divine Mercy on October 23 at 6:00 pm at St. Mary's in Frydek. Join us for fellowship and prayer out by St. Mary's grotto!

Congratulations to Joe and Susan Gutkowski, whose daughter Lexi was joined to Luke Aparicio in the Sacrament of Matrimony on Saturday, October 1st.

This Week's Message:

"Thanksgiving characterizes the prayer of the Church which, in celebrating the Eucharist, reveals and becomes more fully what she is. Indeed, in the work of salvation, Christ sets creation free from sin and death to consecrate it anew and make it return to the Father, for his glory. The thanksgiving of the members of the Body participates in that of their Head."

(Catechism of the Catholic Church, 2637)
