St. Stanislaus Parish Council is pleased to announce that we are in the first phase of adding a Family Life Center building, to be located in the space between the Church and the Parish Hall. It will be used for CCE classes to educate our children in the Roman Catholic faith. In addition, the building will be used for approved parish gatherings and meetings.

Phase 2 will be the approval of the final architectural plans by the diocese. This is an exciting time for our parish and all parishioners will be kept up to date. Pray for the project as the plans move forward.

This Week's Message:

“The New Law is called a *law of love* because it makes us act out of love infused by the Holy Spirit, rather than from fear; a *law of grace*, because it confers the strength of grace to act, by means of faith and the sacraments; a *law of freedom*, because it sets us free from the ritual and juridical observances of the Old Law, inclines us to act spontaneously by the prompting of charity and finally, lets us pass from the condition of a servant who ‘does not know what his master is doing’ to that of a friend of Christ—‘For all that I have heard from my Father I have made known to you’ - or even to the status of son and heir.”

(Catechism of the Catholic Church, 1972)

Congratulations to Fabian and Rita Jezierski, whose son David Jezierski will be ordained a Deacon by Cardinal DiNardo on February 17th, at Sacred Heart Cathedral in Houston.

As the leading purpose of human law is to bring about the friendship of men among themselves, so divine law is chiefly intended to establish men in friendship with God.
