***OCTOBER IS THE MONTH OF
OUR LADY OF THE MOST HOLY ROSARY***

Did you know that the **Rosary freed Austria from Communist Rule in 1955?** For three years, Catholic Austria was under the tyrannical rule of communist Russia after World War II. A Franciscan priest named Father Petrus remembered the story of how Christians in the sixteenth century had defeated the Turks at the Battle of Lepanto through the rosary, despite being greatly outnumbered. Father Petrus launched a rosary crusade and 70,000 people pledged to say the rosary daily for the intention of Austria becoming free from Russian rule. Although Austria was valuable to the Soviets because of its strategic location and rich resources, on May 13, 1955, the anniversary of the first apparition of Our Lady at Fatima, the atheistic Russian regime, in a completely unprecedented move, signed the agreement to leave Austria. Not one person was killed, and not even one shot was fired. Today, historians and Military strategists still cannot explain how or why the Russians pulled out of Austria. Those devoted to the rosary of Our Holy Mother know exactly the reason. Pray the rosary for world peace!

On **October 7th** we celebrate the **Feast of Our Lady of the Most Holy Rosary** in thanksgiving for the victory in the **Battle of Lepanto**. The **crucifix pictured** here is from the ship of Don Juan of Austria in The Battle of Lepanto. The oncoming Moslem Turks shot a cannon at it and the Corpus miraculously swerved to the right, avoiding the shot, and stayed that way ever since. This treasure is venerated at The Cathedral of San Eulalia in Barcelona, Spain.

The **Battle of Lepanto, October 7, 1571** ~ At the end of the Crusades, Catholic naval forces, in a battle with Muslim forces, were at a decided disadvantage in numbers and resources. Knowing the odds for victory were poor, **St. Pope Pius V** requested all of Europe to pray the rosary. While performing his duties in the Vatican miles away from battle, the good Pope is said to have suddenly stood up at the moment of victory, gone over to a window and exclaimed, "The Christian fleet is victorious!" while shedding tears of gratitude to God. Through the power of the rosary, the **Catholic forces soundly defeated the Muslim Turks**. In another point of interest, Admiral Andrea Doria commanding the Catholic forces carried a small image of Our Lady of Guadalupe into battle. This image is now venerated in the Church of San Stefano in Aveto, Italy.

This Week's Message:

“Since the initiative belongs to God in the order of grace, *no one can merit the initial grace* of forgiveness and justification, at the beginning of conversion. Moved by the Holy Spirit and by charity, we can then merit for ourselves and for others the graces needed for our sanctification, for the increase of grace and charity, and for the attainment of eternal life. Even temporal goods like health and friendship can be merited in accordance with God’s wisdom. These graces and goods are the object of Christian prayer. Prayer attends to the grace we need for meritorious actions.”

(Catechism of the Catholic Church, 2010)
